

# Multi Doses

## 'ALL IN ONE' CONCEPT

The MULTIDOSES system is an insemination KIT consisting of a bag containing a semen reserve which is connected to an insemination catheter via a dosing gun.

### ADVANTAGE

- Secure insemination
- Simple & practical
- Lower cost

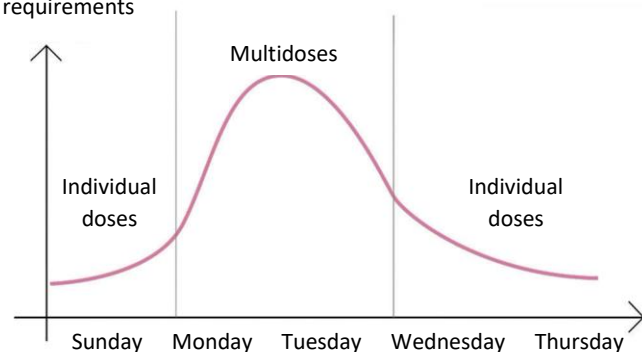

### RESULTATS

<b>Fertility *</b>	<b>Prolificacy*</b>
+ 1.16 %	+ 0.40 TB

\* Test performed on 2,962 sows and 12 farms  
TB= Total born

- Covers 2/3 of the week's needs

Intrauterine dose requirements

between 5 and 10% gain compared to the use of individual doses alone

## NEW MULTIDOSES HANDLE

Easy installation of the bellow

A simple two-handed pressure

Presence of a backflow valve

# Multi Doses

Now available with a specific classic catheter!!!

- => wide collars
- => speed reducer
- => end cap

CHARACTERISTICS	ADVANTAGES
<ul style="list-style-type: none"> <li>• All-in-one principle</li> <li>• Semen packaged in a single volume</li> </ul>	<ul style="list-style-type: none"> <li>• Practical, ergonomic and easy to use system</li> </ul>
<ul style="list-style-type: none"> <li>• Use with deep AI catheters</li> </ul>	<ul style="list-style-type: none"> <li>• Better preservation of the semen in a large volume: enhanced security</li> <li>• Lower average cost</li> </ul>
<ul style="list-style-type: none"> <li>• MULTIDOSES is used for the two thirds of the batch: the beginning and the end of the batch are done with individual doses</li> <li>• Use of disposables</li> </ul>	<ul style="list-style-type: none"> <li>• Passing through the sow's cervix: very low risk of semen backflow</li> <li>• The breeder controls the volume</li> <li>• Lower health risk</li> <li>• Less waste</li> </ul>
<ul style="list-style-type: none"> <li>• Semen from several boars with reinforced extender</li> </ul>	<ul style="list-style-type: none"> <li>• Securing insemination and semen storage</li> </ul>
<ul style="list-style-type: none"> <li>• Ergonomics gun with backflow valve</li> </ul>	<ul style="list-style-type: none"> <li>• Better precision in the volumes delivered</li> <li>• Option to use two hands</li> <li>• Easier installation and removal of the bellow</li> </ul>

## Sani-porc Wipes

- Single use sanitizing wipes for cleaning the vulva
- No irritation
- Fast drying
- Very resistant

## D MAX 6

- High quality extender for 6 days of conservation
